ST. THOMAS, N. H.

This image shows a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor creases and discoloration, particularly along the edges. There are faint, illegible markings scattered across the surface, which appear to be either bleed-through from the reverse side or very light pencil marks. The overall tone is a warm, off-white or light beige.
